Welcome to Tudor Place

Tudor Place in Kingsbury, NW9, is an exclusive development comprising just two luxury homes, offering the very best in suburban living

Tudor Place offers a rare and exciting opportunity to own a substantial family home in a desirable corner of North London. This luxury development comprises just two elegant and spacious four bedroom detached homes situated in Daisy Close, a highly sought after private road between the beautiful Brent Reservoir and the award-winning Fryent Country Park.

Set within gated grounds on the outskirts of the leafy suburb of Kingsbury, these exclusive homes have an array of local amenities close at hand and benefit from exceptional transport links by road and rail. It is no surprise that this diverse borough has become a favourite amongst families, with an outstanding selection of schools nearby catering for children of all ages.

When visiting any of our developments that are still under construction, you are responsible for following the Health and Safety procedures and signs that are in place. For this reason, you must go straight to the Sales Office on arrival. This site plan is for illustrative purposes only.

Introducing Your New Home

Both of these family homes have been designed to meet the demands of modern living and finished to Shanly Homes' exacting specification

An imposing sweeping private driveway is the first touch of elegance you will notice at Tudor Place. Surrounded by carefully designed landscaping the front divides to allow ample private driveway parking. Automated garage doors reveal flexible vehicle/storage space and a convenient utility room.

To the rear both homes enjoy private patios ideal for entertaining, backing on to manicured green lawns.

House No. 1 is a truly exceptional home with large lounge, a useful family room and an open plan kitchen/breakfast room with striking bi-folding doors that open onto the garden. Upstairs, both the master and third bedrooms come complete with fitted wardrobes and their own en-suites while the flexible study can be tailored to suit your needs.

House No. 2 is equally impressive, benefiting from a separate utility room adjacent to the kitchen/breakfast room and enjoying the same light, bright feel thanks to the bi-folding doors out to the garden. The ground floor also boasts a family room and ample lounge with bay window, while upstairs the stunning master and second bedrooms feature fitted wardrobes and en-suites. Two further bedrooms and a family bathroom complete the offering.

Kingsbury & Beyond

Tudor Place combines the very best of suburban living with excellent connections to the heart of the capital and beyond

Situated near to local amenities including supermarkets, shops, banks, bars and restaurants, you are ideally placed at the centre of it all. Kingsbury Road at the heart of the suburb is just over a mile away and offers further shopping facilities plus an eclectic mix of eateries to enjoy.

The surrounding area is well served by several large supermarkets, with a branch of Morrisons in Kingsbury town centre, England's largest Tesco store in Wembley and a Waitrose

at Brent Cross. Just under three miles away, Brent Cross Shopping Centre is home to over 120 big name stores, offering everything from John Lewis and Marks & Spencer to Hugo Boss, Fenwicks, Zara and H&M.

Dining out in Brent is a real treat, with the borough's diverse collection of restaurants reflecting its vibrantly cosmopolitan ambiance. From Afro-Caribbean to Indian and Turkish to Japanese, you'll be hard pushed to choose a favourite.

Local leisure facilities are equally outstanding, with both the Wembley Arena and Wembley Stadium less than a mile away. Newly rebuilt and a major London landmark, Wembley Stadium is not only England's most prestigious football venue but also plays host to major rugby and American football events, as well as pop concerts too large to be held at the Arena.

Of course, with Wembley Park station offering such excellent connections to the centre of the capital everything that this world-class city has to offer is readily accessible. By road, Junction 1 of the M1 is only 2.2 miles to the east while the North Circular can be joined at Neasden to the south. For journeys further afield, Heathrow Airport (Terminal 5) is less than half an hour away.

Our Heritage

We understand that homes are more than just bricks and mortar, they are where memories are made

Since our formation in 1969 the sign board in front of a Shanly development has become a well known sight in the Thames Valley and Greater London area.

Whatever the development, the same attention to detail is evident and over the years it has been this commitment

to excellence that has established our reputation for quality of architectural design and construction. Today, from our offices in Beaconsfield and Leatherhead, the company offers a depth of experience and skills spanning all areas of house and property development. With it comes the same degree of enthusiasm

vital to the project's smooth running. Every property we build embodies the knowledge and determination of our experienced teams to ensure you purchase a home you can be proud of.

We adhere to strict guidelines and all of our new build homes offer the peace of mind of an industry recognised 10 year warranty. With a strong emphasis on the traditional use of brick and block, our homes are built to incorporate sustainable features throughout.
