WELCOME TO THE COLLECTION

A showcase of thoughtfully designed,
energy-efficient homes that are built to last

Shanly Homes at Moorfield Mews

WHY CHOOSE A SHANLY HOME?

Better for you, better for the environment

When you buy a Shanly home, you can be confident that you are buying a home of excellent build quality and exquisite design. Since the development of our first home in 1969, we have remained committed to developing high-specification, sustainable, architecturally innovative homes, designed to complement the local environment and improve the quality of life for those who live there.

Our multi-award-winning team of professionals take great pride in building stunning homes in desirable locations, enhancing landscapes and building communities across London and the South-East.

Our new homes come with a range of energy-efficient features and appliances* designed to not only lower your carbon footprint but also to help you live more cost-effectively.

Our new build homes save you over £420 yearly on energy bills.**

Energy efficient appliances

Low-energy lighting

Insulation to reduce heat loss

Low energy lighting

All our homes are fitted with LED downlights. These can last up to 12 times longer than traditional light bulbs and offer a 90% energy saving.

To improve thermal efficiency and reduce heat loss:

- All windows are double- or triple-glazed
- All external cavity walls have full cavity insulation
- Ground floor insulation and double-layered roof insulation are fitted
- All our homes have undergone air testing to calculate the amount of air infiltration into the property and have received a permeability rating of 5 or less (out of 10). The lower the number, the more airtight the property

Heating and hot water account for over half of what you spend on energy bills in a year***

- Where fitted, our A-rated boilers burn fuel more efficiently saving energy
- A smart heating system is installed to help you effectively manage your heating
- Where fitted, radiators have thermostatic valves to allow for individual management
- Zoned heating means you can control the temperatures between different floors
- To keep your heating system running smoothly a scale guard is fitted and additives have been used to inhibit sludge build up
- Where fitted, air source heat pumps are highly-efficient and cost-effective

THE SHANLY DIFFERENCE

Buying a new home brings with it many benefits,
but the biggest difference of all is buying a Shanly home.

High specification as standard

We believe the best features shouldn’t be optional. That’s why every Shanly home includes a premium specification of appliances, fixtures, fittings and finishes, thoughtfully chosen by our team to deliver style, quality and practicality throughout.

Crafted with care

Every Shanly home is built and finished with exceptional attention to detail. Our team take great pride in creating homes that are carefully constructed, vigorously inspected and finished to the highest standard, giving you complete confidence in your new home.

Distinctive designs

Our team of in-house architects design homes with you in mind, taking extra care in designing exterior elevations, landscaping plans, positioning buildings, and ensuring your layout inside maximises space, storage and increases flow.

Shanly homes are built to stand the test of time with attention to detail that gives added kerb appeal to your home.

Aftercare and warranties

Our dedicated customer care team will be on hand to support you after you move in. For peace of mind we offer a 24-hour emergency service. Shanly Homes is a registered developer with the New Homes Quality Board.

All our new homes are covered by our 2-year Shanly Homes warranty and benefit from a 10-year industry recognised, insurance backed warranty.

We listen

We take customer care seriously and have a dedicated 24-hour customer care helpline so you can ensure there will always be someone on hand. Building new homes is complex work and even we sometimes don’t get things right, but at Shanly Homes, we want to constantly improve and that means listening to our customers and responding quickly.

Customers see the difference

Our valued customers love our Shanly homes and appreciate our helpful team, and some repeat customers have gone up the property ladder with us, while others have purchased other properties as investments.

You help us change lives

Our charity, Shanly Foundation gives over £1.75 million pounds annually to a wide spectrum of charities and organisations that benefit your local community. From young people from disadvantaged backgrounds, the homeless, people with physical disabilities or life limiting illnesses, to the ever-growing need for mental health support, we carefully select charities that do their best to help those most in need.

OUR CUSTOMERS

97.1% of our customers would recommend us to a friend*

“

Shanly Homes were brilliant throughout the sales process. The whole transaction was really smooth, and we had plenty of help along the way. We are enjoying our new home, and the location is brilliant – walking distance to the train station so I can easily get to London for work.

”

**Mr and Mrs Li,
Moorfield Mews, Staines-upon-Thames
4 bedroom house**

“

I think the apartments themselves are just amazing, and the level of service we got from the team on site was absolutely first class.

”

**Mrs Howells,
Oaklands Park, Esher**

“

If I was going to buy another new build in the future, I would definitely look at Shanly Homes.

”

**Mr Gudala,
Ashcroft Place, Staines-upon-Thames**

“

The location is great – I can walk to both Claygate and Esher, and the railway station is nearby. My terrace is large and usable with plenty of room for a dining area, when it's warm I can spend more time outside.

”

**Mr Hewitt,
Oaklands Park, Esher
3 bedroom apartment**

“

We chose River Walk for its location and the quality of the build. It's very close to the High Street and the centre of the town.

”

**Mr Pinheiro,
River Walk, Tonbridge
2 bedroom apartment**

YOUR COMMUNITY

As well as building communities, we are also extremely proud to support those most in need within those communities via the Shanly Foundation. Financed entirely by the profits generated by the Shanly Group of companies, the Foundation receives in excess of 700 funding applications annually. Our Board of Trustees meet monthly and consider each and every application. This ensures that funding is appropriately allocated to help local community groups and charitable organisations to support and improve the quality of life for those most in need across our communities. Since 1969 the Shanly Group and Shanly Foundation has contributed in excess of £33m to charitable causes.

Find out more:

Our commitment to creating the best possible living environment does not stop at the design and build of our homes. We also place a great deal of emphasis on the wider environment. We appreciate the importance of green space and will always look to enhance the natural environment through beautiful landscaping design and the preservation of protected areas. From the procurement of energy-efficient and sustainable materials, to the use of thermal efficient methods of build and effective disposal of waste, our team works hard to ensure that we minimise the environmental impact of our operations without compromising on quality.
