Your area

With its rich Bronze Age, Roman and Saxon history, Staines-upon-Thames has a fascinating past. With many water-driven mills, it came into its own in the Medieval Age, growing into a sizeable market town. It further flourished into a much larger settlement by becoming a Victorian London satellite town in the 19th Century, with the advent of the railway.

The town centre is thriving once again, thanks to increased retail investment. The bustling high street retains its charming market town character while enjoying the convenient addition of the successful Two Rivers retail centre, just a short four-minute walk away. The area is further enriched by a variety of popular cafes, restaurants, and bars. Exciting plans for the future cater to the needs of new residents who have discovered the town’s beauty firsthand.

The town offers some brilliant options for schools and is packed with activities for children, including soft play, bowling, and Lammas park less than 5 minutes walk. The intricate white-granite design of Staines Bridge across the River Thames remains a popular spot – it’s a wonderful location for whiling away an afternoon with a picnic and book. Outdoors and leisure lovers have a wealth of options to explore, including Virginia Water Lake, the pretty Thames Path National Trail, and a number of historical towns and villages only a stone’s throw away.

With Central London accessible within 40-minutes via train, commuting to the city for work or spending an exciting day off in the capital is easy.
